

I am a deaf citizen who welcomed Indiana's "no-call" list. I used to get several calls on my TTY, thinking they were from friends, and it turns out to be businesses and sales calls. It's very frustrating to take time out to answer a TTY call, which is NOT easy, compared to a voice call, and then find out it's a hang-up, due to a sales call or business call. Please do NOT weaken the Indiana law -- in other words, "if it ain't broke, don't fix it"!
